

OXFORD WIN BOYS U14 MERCIAN CROWN

Sunday 3rd May 2009

Some of you may know by now that the Rover/City combined u14 boys team today won the Mercian finals at Old Loughtonians in Essex.

This makes us the top side in the south for our age group!

The team played Woking in the semi-finals and won 7-4. Joe Brownill managed to bag 4 goals before being pulled off for a breather!

In the final we played High Wycombe, a team from our qualifying group whom we beat 6-5 in a thriller some time ago.

In the end we held on to win 1-0 after Joe Brownill had scored a short corner midway through the first half.

The final ten minutes saw us hold on with 5 short corners against us.

From Rover we had Joe, James Lawton Smith, Otto Wolf, Harry Stevenson, and Tom Chapel in the squad.

The last Oxford team to win this trophy was Hawks in 2001. The Mercian teams are now getting used to another name from Oxford!
